ABOUT US

Philosophy

Testimonials

We seek to encourage curiosity and imagination inside a child, to awaken love for music and dance and make it part of their life. Our program nurtures the love of arts and the invaluable social, aural and motor skills developed at an early age.

AGE APPROPRIATE CLASSES

Music

4-12
Month

1-2
Years

2-3
Years

3-4
Years

4-5
Years

Our classes engage babies ages 4-12 months in sing-along activities that introduce classical, folk and popular music. Teachers demonstrate musical instruments from the string, woodwind, brass and percussion families; and babies are given an opportunity to experience the sight, sound and touch of many orchestral instruments.

FAQ

What should parents and caregivers keep in mind when attending class?

Here are some guidelines to keep in mind when attending our music classes:

- 1) You may arrive up to 15 minutes before your class time.**
- 2) Food and drinks are not allowed in the studio.**
- 3) Please feel free to take pictures of your child. However, taking videos is not allowed. This is to ensure the privacy of other families in class.**
- 4) Shoes are not permitted in the studio. Adults are strongly encouraged to wear socks in class.**
- 5) Teachers may be substituted by other teachers when necessary.**
- 6) Please refrain from touching and removing instruments from their “homes” without the teacher’s permission and supervision.**
- 7) If a child has any contagious ailment, parents are kindly asked not to bring them to class in order to keep the other children and adults healthy.**
- 8) Feel free to park strollers in the lobby but please keep personal items with you. The studio is not responsible for any lost or stolen items.**
- 9) Kindly exit the studio promptly after your class. This allows us time for cleaning and prepping in between classes as well as for the next class to arrive.**
- 10) It is the responsibility of parents and caregivers to be in full control of their child’s behavior, providing a safe and productive environment for all children.**

What is the right age to start learning music?

At MusiBambino, we believe in starting musical education as early as possible.

What is the age range of classes?

All classes are carefully composed of appropriate age groups: 4-12 months, 1-2 years, 2-3 years, 3-4 years and 4-5 years.

We believe that this approach benefits the learning process. Personal development of each child is our concern. Therefore, our teachers carefully watch their involvement and participation in class and give feedback to parents during and at the end of the semester.

How long are the classes?

Classes are 40 minutes long.

How often do classes meet?

Each group is scheduled for classes once a week. Some children enjoy music so much that they register for classes two or more times a week.

Can I be present in class?

Yes. Parents or caregivers are required to be present in music class.

Besides enjoying classes with your child, parents/caregivers are fully responsible for your child's behavior during lessons.

Can I participate in music activities?

We welcome and strongly encourage you to interact along with your child. Your child has more fun when you learn together, and it can be even more enjoyable to repeat the games, songs and movements at home.

Am I allowed to bring older or younger siblings to class?

While we recommend that children attend an age-appropriate class, we are willing to work with parents to accommodate their needs. Again, please check the office to avoid overcrowding. Siblings over 8 months old should also be registered in the program.

Can I bring other family members to class?

Please check with the office beforehand to make sure that there are no additional students scheduled in the same time slot. We try not to overcrowd classes and make sure that all children are comfortable.

What if I believe my child is advanced for his age and should be in the next age level group?

At the time of registration, you may request to be enrolled in an older age group. If you discover it in the course of the semester, you may offer to be transferred to a different group upon availability, your teacher can advise you on the appropriate class.

What if we missed the beginning of the semester?

It's never too late to start. Enrolling mid-semester will not affect the results of our program. Please call the office; we will be happy to accommodate your child if your preferred group has an available spot. Tuition will be prorated through the end of the semester.

Do I have to enroll my child for the full year?

No. We run Fall (September to December), Winter (January to April) and Summer (May to August) semesters. There are usually 13 to 16 classes in each semester depending on the calendar. You may register for one semester at a time.

When is the right time to re-register for the next

Our office is ready to take registrations approximately one month before the start of the new semester. We usually issue a friendly

semester?

reminder to our families to let them know it is time to reenroll. Registering early will ensure your child a spot in your desired class.

If the desired class is full, does my child have a chance to be enrolled in the future?

Yes. Please call the office and ask them to include your child on the Waiting List, indicating 2-3 possible choices. We will contact you upon availability. You may also call the office at any time to upgrade your waiting list options.

What if the class I want is not being offered on the schedule?

Feel free to discuss your request with our office. We will include you on the Waiting List and if possible, we may be able to open a class for you.

What is your refund policy?

Students withdrawing before the first class will receive a full tuition refund minus the registration fee. Prorated refunds will be granted only up to the 3rd scheduled class. The registration fee is non-refundable.

What if my child missed a class?

Students can make-up any missed classes in the session in which they are currently enrolled. Make-ups must be arranged by contacting the office: musibambino@gmail.com or (212) 877-7125.

BIRTHDAY PARTIES

Book the perfect birthday party for your child at MusiBambino!

Reserve your event at our studio. Have an unforgettable experience with your child singing their favorite songs and exploring many different instruments!
